Sir:

In the Office Action dated February 26, 2010, the Applicants submit that, on page 6 of the Office Action, the Examiner rejects claims 26-29 under 35 U.S.C. §103(a) as being unpatentable over Bellini in view of Chang.

The Applicants believe that this is a typographical error, and Bellini should be --Belani--, which was cited in a previous Office Action. If the Examiner was referring to Bellini, the Applicants request a replacement Office Action which indicates the patent number of Bellini with a Notice of References Cited including the reference. If the Examiner was referring to Belani, the Applicants request a new Office Action in which any reference to "Bellini" is changed to --Belani--.
